

# Susanna Farms Sale

Aren't they perfect? These five heifers sold for an average of \$943 in our 1957 sale. The dams and full sisters of all of them are selling in this dispersion. They are typical of the daughters of Leveldale Custodian and Susanna's Basis.

**COMPLETE DISPERSION**  
**Saturday, May 2, 1959**  
**LAKE VILLA, ILLINOIS**

While producing good cattle to sell, the owners of Susanna Farms have been alert to the need of strengthening replacements. Each year heifers like these have gone back into the herd. All are now mature cows and will sell in this dispersion along with outstanding sons and daughters.

## A message from the owner of Susanna Farms.

*On the urgent advice of my doctors, I must sell the Susanna Herd and withdraw from the business of farming and live stock growing, an enterprise which has given me more pleasure than anything I have ever undertaken. The decision was most difficult to reach because of my great admiration for Paul Potter who has done such a wonderful job of managing Susanna Farms and developing the herd to its present peak of strength. All members of the O'Bryan family were in complete agreement that no definite move toward dispersing the herd would be made until the future security of Paul and his family was assured. It was with my complete sanction that Paul applied for a position with John Alexander and Sons and I am in better position than anyone else to know that he will make a fine record with the outstanding herd at Melbourne Farm.*

*The way is now open for me to follow the directive of the doctors. Paul Potter will remain at Susanna until the herd has been sold and will be in complete charge of the dispersion which will be held on Saturday, May 2, 1959. My faith in Shorthorn cattle is great, my relationship with the employees of Susanna Farms has been wonderful, and it is my hope that the friendships I have made with others who believe in this breed will remain long after the Susanna Herd has been dispersed.*

A few of the great Susanna brood cows, all selling in this dispersion along with sons and daughters. Left to right: Susanna Butterfly 7th (Lot 49), Elcona Augusta Ann 2nd (Lot 30), Susanna Pauline 5th (Lot 27), Millgate Rosewood 6th (Lot 59), Britomac Golden Drop 2nd (Lot 54), Don Hill Myrtle (Lot 76), and Susanna Carnation (Lot 97).

# General Information

This auction sale will be held at Susanna Farms, Lake Villa, Illinois, on Saturday, May 2, 1959.

**TIME:** Due to the large number of cattle to be sold, the sale will start promptly at 10:00 A.M. Central Standard Time. Selling will be continuous until all animals are sold. Lunch will be served while the sale is in progress. There will be a parade of the bulls, with explanations by Manager Paul Potter, starting at 9:00 A.M. Central Standard Time.

**LOCATION:** Susanna Farms are located on combination highways 21 and 83, 40 miles north west of Chicago. A convenient map showing the location of Susanna Farms appears on page 2 of this catalog.

**TELEPHONES:** The sale is under the management of Hal Longley, 16 South Locust Street, Aurora, Illinois (phone Aurora 6-8511). The manager of Susanna Farms is Paul Potter, Lake Villa, Illinois (phone Elliott 6-7729). Feel free to call or write either for information or reservations.

**HEADQUARTERS:** We have not named any headquarters for this sale because the area near Susanna Farms is filled with comfortable motels. We will make reservations for you. Simply write or call Paul Potter, Manager, Susanna Farms, phone Elliott 6-7729 at Lake Villa, Illinois, and let him know the number in your party and the kind of accommodations you desire.

**TRANSPORTATION:** We ask all who travel by train or plane to advise us in advance so that we can meet them. Trains will be met either in Waukegan or Fox Lake, Illinois, if we are notified. Trains on the C. M. & St. Paul Railway leave regularly from the Union Station in Chicago and the trip to Fox Lake requires about one hour. Trains on the Chicago, North Shore and Milwaukee Electric line leave the station at Adams and Wabash in Chicago every hour on the hour. Get off at Edison Court Station in Waukegan where we will be glad to meet you if notified.

**PLEASE NOTE:** This is a very large sale offering, too large to be inspected on the morning of the sale. We urge visitors to arrive on the afternoon prior to the sale in order to allow time for a careful inspection.

**MAIL BIDS:** Those unable to attend and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, 16 S. Locust St., Aurora, Illinois.

Don Longley, The Shorthorn World, 16 S. Locust St., Aurora, Illinois.

Bill Stunkel, The Shorthorn World, 16 S. Locust St., Aurora, Illinois.

Tom Sherlock, Wallaces Farmer, Des Moines, Iowa.

Ed. Huff, Fieldman, The Breeder-Journal, Culpeper, Virginia.

Jim Browitt, Fieldman, American Shorthorn Ass'n., Live Stock Exchange Bldg., Omaha 7, Nebraska.

LeRoy VanDyke, Corn Belt Dailies, Union Stock Yards, Chicago 9, Illinois.

Auctioneers — C. D. Swaffar, J. E. Halsey, Forrest Grunewald, H. P. Miller.

## Beef where the cowman wants it!

We are proud to have been able to supply winning steer calves to junior club members and proud also that many good Susanna-bred bulls have been used successfully in strong commercial herds. The steer end of the business is important to us. Besides those pictured on these pages, Susanna-bred bulls are in service at the University of Illinois and the University of Wisconsin.

Susanna is proud of her steer winnings. Calves are supplied each year to worthy club winners. The three steers shown left, all bred at Susanna and all sired by Leveledale Custodian, stood first, second and third in the summer yearling class at the junior show of the 1955 International Livestock Exposition. They were fed and exhibited respectively by Joanne Inness, Galesburg, Illinois; E. Hiltbrand, Ottawa, Illinois, and Dean Cox, Alvin, Illinois.

Reprinted from "Builders of the Breed" in the August 15, 1957 issue of The Shorthorn World.

## An Exceptional Buying Opportunity

This dispersion not only marks the closing out of a very strong herd but also it marks the withdrawal from the field of animal husbandry of a man whose cattle judgment has resulted in breed improvement and whose ethics have been above reproach. The enviable record of S. J. O'Bryan over the past quarter century and the admiration of thousands toward his accomplishments in the industry caused him to be named "Builder of the Breed" in the August 15, 1957, issue of The Shorthorn World. It was an honor well deserved.

I wish there were more herds like the Susanna herd, more owners like S. J. O'Bryan and more managers like Paul Potter. When histories of the breed are written, the names of these men will be high on the list of constructive breeders. Susanna productions have won top show ring honors in competition with the breed's best; they have consistently topped the stronger consignment sales and hundreds of critical breeders have bought them in private treaty transactions. Always they have done well for those who acquired them.

The herd is at its peak today. The 20 bulls are excellent. There are plenty of calves running with their dams and plenty of cows heavy in calf to prove that the herd is free of breeding troubles. Among the 35 nursing calves and the 30 bred and open heifers, there are many show prospects.

Although there is sadness in the closing out of a great herd, the scattering of 150 head of cattle backed by such reliable ancestry is certain to result in the improvement of many other herds.

A great deal depends on what you buy and from whom you buy. If you are interested in cattle of most approved type, backed by very strong pedigrees, and offered by men of highest character, this will be an excellent sale for you to attend.

*Hal Longley*

of The Shorthorn World

*S. J. O'Bryan, owner of Susanna Farms, Lake Villa, Illinois, is an outstanding example of a successful manufacturer who has used his business acumen to help build a better Shorthorn industry. Extremely modest, he would be the last to consider himself as a breed builder. Yet, thru judicious purchases and matings and surrounding himself with capable help, he has produced seed stock that have won high honors in national competition and that have commanded top prices in sales. Susanna productions have won wide respect among practical cattlemen.*

# Terms - Conditions - Guarantee

**Health:** The Susanna Herd is Federally Accredited for Tuberculosis. The herd has been tested regularly for Bangs without uncovering reactors. Calfhood vaccination has been practiced regularly.

**Terms:** The terms of this sale are cash. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.

The Susanna Herd has a record of good health. It is Federally Accredited for Tuberculosis, and calfhood vaccination for Bangs Disease has been practiced regularly for many years. All bulls and all mature females have been tested for Bangs Disease within 30 days of the date of the sale. For heifers too young to be tested, certificates of vaccination will be provided. Health certificates issued by a qualified Illinois State Veterinarian for each animal sold will be provided.

A certificate of registry and transfer will be furnished for all animals and properly signed applications will be furnished for the registry of all unborn calves.

The Susanna Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy.

Nearly every cow in the herd has a calf at foot or shows every evidence of being in calf. Attention will be called to any that have given trouble in this respect. All cows and heifers bred prior to March 1st will be examined for pregnancy ten days ahead of the sale by Dr. C. P. Tossey, Antioch, Illinois and results of these examinations will be made public on sale day.

**Guarantee:** As this is a dispersion sale, no guarantee will be given except in the cases of the two herd bulls that are presently in heavy service, namely, Susanna's Basis 4th (Lot 1), and Marellbar Purvis (Lot 2). Susanna Farms will guarantee the above named bulls to be breeders if they are maintained in as good condition as when purchased. In case they fail to prove breeders, notice must be given within six months of the date of this auction sale. The purchase price, without interest, will be refunded in case the above named bulls fail to meet the guarantee and the disposal of these animals will be at the option of the seller.

**Announcements on Sale Day:** Although all information contained in this catalog is correct to the best of our knowledge at the time of printing, we must reserve the right to make announcements of correction. Accordingly, please understand that announcements made from the auction block on sale day will take precedence over matter printed in this catalog.

The above terms and guarantee constitute a contract between Susanna Farms, the seller, and the buyer of each lot. Neither the Sale Manager, the persons delegated as clerks, the farm manager nor any other person has authority to alter the terms of that contract nor do any of them assume any liability, legal or otherwise.

**Liability:** While every effort will be made to protect the safety and comfort of those attending, all who attend this cattle sale do so at their own risk. The owner, sale manager, clerks, auctioneers cannot be responsible for accidents that may occur. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees, or possible errors in records or health papers. Where footnotes appear in the catalog they were furnished by owner or from information furnished by owner.

**SALE STARTS PROMPTLY AT 10:00 A.M.**

**Central Standard Time**

Shorthorns thrive in snow — at least these four young bulls at Susanna Farms, Lake Villa, Illinois, don't seem to mind the snowy underfooting. They are all by Susanna's Basis.

## A Word From the Manager

Leaving Susanna Farms will be a matter of great regret to the members of the Potter family. At all times during our stay here we have had the feeling that we were working with the O'Bryan family in building up this herd rather than working for them. Mr. O'Bryan loves this farm, knows and loves his cattle and out of each conference with him has come the inspiration and determination to do a better job. The complete willingness on the part of this fine man to supply his employees with the best possible tools and his insistence that customers be satisfied are the factors that have made him a success in the fields of industry and live stock husbandry.

The Susanna Herd contains an honest, hard working lot of Shorthorns. The herd bulls have been improvers and cows that loafed on the job have been quickly removed. Mr. O'Bryan's purchase of the entire Comrie Herd, owned by Robert Macfarlane, Grand Rapids, Michigan, enlarged and strengthened the Susanna Herd to a point where it is today one of the breed's best.

Nothing I can say in behalf of the Susanna Herd can be more effective than the statement that those who have purchased our productions have been completely satisfied with them — and most of them have come back for more. I am most happy to recommend the cattle in this dispersion to the friends I have made in the Shorthorn industry.

*Paul Potter, Manager,*

## Important Notices . . .

Since this is a dispersal and other arrangements are being made for the use of the land and buildings, it will be necessary for all cattle in this sale to be removed from Susanna Farms within a reasonable length of time following the sale.

There are reliable truckers in the area of Susanna Farms who are familiar with the transportation of purebred cattle and whose rates are reasonable. These truckers will be available on sale day.

## Susanna Shorthorns —

They have met the best and have stood the test.

The descriptions in this catalog are modest, not overdrawn. These cattle are even better than described.

This sale will contain 115 mature cattle and 35 calves, a total of 150 head. To inspect this large number carefully will take time. We urge you to arrive on Friday, May 1st. The cattle will be grouped in paddocks for convenient inspection.

**Susanna Carnation** and **Susanna Custodian 6th**, typical productions of **Susanna Farms**. Both were sired by **Leveldale Custodian**. The former is now a valuable brood cow in the **Susanna Herd**. She will sell in this dispersion as **Lot 97** and her dam sells as **Lot 96**. The latter now heads the herd of **George H. Thomas, Alburnett, Iowa**.

1st Senior Heifer Calf — Susanna's Rothes Queen 2d  
1st Junior Get of Sire — by Leveldale Custodian

**Susanna's Custodian 14th.** This son of Leveldale Custodian won first prize at the 1956 Illinois State Fair, reserve grand champion to Susanna's Custodian 10th at the 1956 Wisconsin State Fair, and was a member of the undefeated get-of-sire. He is now owned by Homer Long, Grundy Center, Iowa. He is the sire of Lots 15 and 43 and his dam sells as Lot 100.

Here are a  
few of  
the famous  
Susanna Winners..

The dams and full sisters  
and brothers of nearly all  
of them are to be sold in  
this dispersion.

The undefeated get-of-sire by Leveldale Custodian at the 1956 Illinois, Iowa and Wisconsin State Fairs. The bull in the center is Susanna's Custodian 15th, now owned by Bernard Scherer, Fowler, Indiana, and his dam will sell as Lot 96. The bull at the right is Susanna's Custodian 14th whose dam sells as Lot 100.

This trio by Leveldale Custodian won first prize in the junior get-of-sire class at the 1955 Illinois State Fair. These are typical Susanna productions, closely related to animals selling in this dispersion.

This is a snapshot photo of **Susanna Custodian 10th** taken right after he had won grand championship at the 1957 Denver Show. Margaret O'Bryan at the halter.

These Susanna productions won first prize in the class for pair of calves at the Illinois, Iowa and Wisconsin State Fairs in 1956. This is the type you will buy in this important dispersion.

These four Leveledale Custodian calves won first prize in the get-of-sire class at the 1957 Denver Show. From left to right: Susanna's Custodian 10th, Susanna's Custodian 14th, Susanna's Augusta Ann (sells), and Susanna's Custodian 20th. The dams and sisters of all of them sell in this dispersion.

This is the group that won first prize in the get-of-sire class at the 1955 Illinois and Wisconsin State Fairs, the only places exhibited. They were bred and owned by S. J. O'Bryan, Susanna Farms, Lake Villa, Illinois. All were sired by Leveledale Custodian. The dams of the two animals in the center sell as Lots 97 and 80.

**LEVELDALE CUSTODIAN . . . Famous Susanna Sire**

**Leveldale Custodian:** The bull of the year in 1952, when he was Grand Champion at the Illinois, Indiana, and Kentucky State Fairs, and Reserve Grand Champion at the Iowa State Fair, Eastern National, and International. He was purchased in the 1952 Leveldale sale for \$19,000, and proved himself to be one of the better sires of his day. We lost Custodian in July, 1957, but there are two sons and twenty daughters included in this dispersal, and his bloodlines appear in many of the pedigrees. His dam, Leveldale Crocus, was the best show heifer out in 1950 and 1951, and his sire left some great breeding females in the W. H. Boutell herd, Grand Blanc, Michigan, even though he sired only one crop of calves. It would take a lot of space to list all of the winnings of the Custodian get, but they were noted for their thickness, bone, and strong hind quarters. The Custodian daughters have crossed well with different bulls, and the sons have been good breeding bulls.

**LEVELDALE CROCUS . . . His Famous Dam**

*Inquiries About Cattle Listed — The Sale Manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois.*

# Success Story . . .

The story of Leveldale Custodian is certainly a success story. His sire, Aldie Apex, was reserve Grand Champion bull at the 1950 National Show at Memphis, and sold in the Leveldale Sale to Bilmar Farms, Grand Blanc, Michigan. His breeding career was cut short by injury, but he left a few grand females in that herd that are among their best breeding females. His dam was the great show cow, Leveldale Crocus, that was either champion or reserve champion at all the major shows in the country for 1949 and 1950, including the International. Custodian himself was Grand Champion bull at the 1952 Illinois, Indiana, and Kentucky State Fairs, and Reserve Grand Champion bull at the Iowa State Fair, the Eastern National and the International. He topped the 1952 Leveldale Sale at \$19,000, which still stands as a record for an American bred bull sold at auction in modern times.

From his first calf crop, one son, Susanna's Custodian 4th, was Reserve Grand Champion bull at the 1955 Illinois State Fair, Champion bull at the 1955 International Congress Sale, 2nd prize junior yearling bull in the open show, and sold to the Nelson Farms herd at Geneseo, Illinois, where his get looks very impressive. Another son, Susanna's Custodian 5th, was Grand Champion bull at the 1955 Wisconsin State Fair, and sold to Carona Farms, DeKalb, Illinois. This bull, in turn, sired the reserve grand champion Polled

Shorthorn bull at the 1958 International Live Stock Show. A daughter, Susanna's Carnation, was Reserve Grand Champion female at the 1955 Illinois State Fair, and his get was 1st at both the Illinois and Wisconsin State Fairs, and 5th at the International. Three steer calves, sold to club boys in Illinois, stood 1-2-3 in the summer yearling class in the junior show at the 1955 International.

In his second calf crop, a daughter, Susanna's Princess Royal 2nd, was the top female of the 1956 Marellbar Invitational sale at \$3,000, and went to Myrtle Lake Farms, Winterhaven, Florida. Four heifers by Custodian averaged \$1,750, for the highest average in the sale. One son, Susanna's Custodian 10th, was undefeated bull of the year in the junior yearling class and capped off his record by winning junior championship at the 1956 International and Grand Championship at the 1957 Denver Show. The get of Leveldale Custodian was 2nd at Illinois, and 1st at Wisconsin, Iowa, and the 1957 Denver show.

Leveldale Custodian was the modern type Shorthorn bull, leaving calves with great thickness and bone, and an easy fleshing ability that makes them highly desirable in the beef cattle business. There are 2 sons and 20 daughters in this sale. This dispersion will give Shorthorn breeders everywhere the opportunity to purchase the get of one of the breed's greatest sires.

**SUSANNA'S BASIS:** Purchased in dam with Leveldale Rothes Queen 2nd, \$5,000 top female of the 1952 Leveldale Sale. We used Basis for three years, and then sold him to Otis Rothlisberger, Elgin, Iowa. There are five sons, six daughters, and five cows with calves at foot by Susanna's Basis in this sale. The Basis cattle have been good cattle for us, and have been profitable. Our get-of-sire for 1959 by Susanna's Basis would have been a good one, and perhaps he is the best breeding son of that great sire, Leveldale Basis.

## A word about the Comrie Herd . . .

In March, 1958, we had the opportunity to purchase the good Comrie Farms' herd owned by Robert MacFarlane, formerly located at Grand Rapids, Michigan, and then at Anoka Farms, Waukesha, Wisconsin. Bob MacFarlane had always used good breeding bulls, and in 1955 culled the herd extensively. We culled again after purchase and we feel that some of the top cows in today's Susanna Herd came from Comrie Farms. In 1950, Comrie Farms purchased the top bull of the Gallinger sale, **Killearn Max Senator** by Killearn Max 5th, for \$10,000. There are eight good daughters of Max Senator in this sale. Another bull used at Comrie Farms was **Comrie Formula**, by the \$20,000 Calrossie Formula, and out of the good old breeding cow, Klaymor Fairy Princess. With the addition of **Marellbar Purvis**, the Comrie herd was in a strong position, and we felt very fortunate in being able to add it to the Susanna cattle.

**Comrie Formula.** This son of Calrossie Formula made a great record in the Comrie Herd owned by Robert Macfarlane of Grand Rapids, Michigan. His dam will sell as Lot 64 in this sale and two of his daughters sell as Lots 47 and 67.

**Killearn Max Senator.** When purchased by Robert Macfarlane and the McLachlans of Michigan he was the \$10,000 top of the 1950 Killearn Farms sale. His calves have been top winners and top sellers wherever shown or offered. Much of his blood is included in this sale.

These six beautiful heifers were produced in the Comrie Herd and offered in the 1955 Marellbar Invitational Sale. Three are by Comrie Formula and three by the \$10,000 Killearn Max Senator. The dams of all of them are included in this dispersion of the Susanna Herd.

Please Note: The sale will start promptly at 10:00 a.m. on Saturday, May 2nd. Since there are a large number of cattle selling, May 1st will be the day for inspection. The cattle will be in convenient paddocks and fully identified on the day prior to the sale.

**Susanna's Basis 4th** — The three year old grandson of both Leveldale Custodian and Leveldale Basis that we have retained as junior herd sire. There will be five 1958 calves by the 4th in the sale, and 14 cows with calves at foot by him. In addition, many females sell carrying his service. Basis 4th is active and sure, and there is frozen semen in storage at Northern Illinois Breeding Co-Op, Hampshire, Illinois. You'll appreciate his great head, bone, and hind quarters, and you will also like the thickness and meatiness of his calves.

**Susanna's Basis 4th**, junior herd bull, will sell in this dispersion as Lot 1.

## Nurse Cows . . . Show Equipment

Immediately following the sale of purebred cattle we will offer by auction seven excellent nurse cows, all tested, vaccinated and clean. All of them are Holsteins and 5 were home raised. Also we will offer by auction a full line of purebred show equipment.

An unretouched snapshot picture of the \$10,000 **Marellbar Purvis**. He sells as Lot 2.

**Marellbar Purvis** — This bull was purchased with the entire herd of Robert Macfarlane in March, 1958, and had already proven himself a good sire in that herd as well as in the Marellbar herd before they sold him for \$10,000, the top price of their 1955 sale. There are four young bulls, six young cows with calves at foot, ten bred and open heifers and ten young calves at foot by Purvis in this sale. He is active and sure. Purvis is a large, deep, smooth, bull, with a beautiful flexible hide. His sons meet the modern day demand for size and bone, and his daughters make good brood cows.

The \$10,000 **Marellbar Purvis**. He sells as Lot 2.

His dam is no longer here, but she produced the champion Shorthorn steer in Houston, 1956, and the summer yearling show heifer of 1958, Susanna's Doris 16th, Lot 103.

**Susanna's Custodian 20-2** — By the 20th and out of the good Cluny Rosewood family that has produced many of our best cattle. His dam sells as Lot 61 and she has sons in the Donnell Jones herd in Montana and the Wayne Greiman herd in Garner, Iowa.

Breeders who really know good cattle were the buyers of these heifers in the 1957 Susanna sale. They were purchased by Murphy & Barry, John Alexander & Sons, Marellbar Farms and Kickapoo Farms. They are daughters of Leveldale Custodian and Susanna's Basis.

Manager Paul Potter looks over a group of the Susanna brood cows. Four of the eight cows shown here will be included in this dispersion. The second cow from the left is Lot 26; the third is Lot 54; the fourth, fifth and sixth do not sell. The second cow from the right is Lot 110 and the cow on the far right is Lot 37.

## **The Females in this Sale are Excellent . . You are Sure to Like Them**

The health and productive ability of the 95 cows and heifers in this sale is indicated clearly by the large number of calves at foot and the large number of cows that give evidence of being safely in calf. This is the best possible guarantee of performance. Breeding dates will be supplied on a separate sheet on sale day.

### **Remember —**

The sale of seven tested Holstein nurse cows and complete show equipment will be held immediately following the pure-bred sale.

### **Remember —**

Inspection all day on May 1st, the day prior to the sale. All cattle will be clearly identified and ready for convenient inspection.

## The Queen of Rothes family

The foundation for this popular family was the purchase of the great show and breeding cow, Leveldale Rothes Queen 2nd by Calrossie Good News at \$5,000, top price of the 1952 Leveldale sale. Her dam was by Chapelton Royalist and sold in the 1951 Leveldale sale for \$3,800 to Lynnwood Farm, Carmel, Indiana, where she has established this great family there. Rothes Queen 2nd has proven to be a very profitable investment. In 1956, we added Phopachy Queen Jessica by Kirkton Grandee at \$2,000, which was the top of the Gardhouse sale that year. Her bull calf at foot, by Calrossie Forward March, brought \$1,325 in our 1957 production sale and her calves are always among our tops. To add further to this outstanding family, we purchased Greenwood Rothes Queen 4th in the 1958 Graham-Willow Lee sale.

**Susanna's Custodian 10th**, 1956 International junior champion and 1957 Denver grand champion. He is now owned by Kenneth Kettenhofen of Elkhorn, Wisconsin. His dam is the great cow Leveldale Rothes Queen 2nd that will sell as Lot 21 in this sale.

**Clear Creek Royal Leader**, first prize senior bull calf at the 1953 International that was used with success by John Shuman, Deertail, Colorado. He was out of a daughter of Cluny Pauline 74th, the great imported cow that will sell as Lot 26 in this dispersion.

## The Cluny Paulines

The original foundation cow for this family is still at Susanna Farms, and will be sold in this sale. She was imported in 1946, and her descendants have been top cattle for all who have owned them. One daughter, Susanna's Pauline 2nd, was sold by Edellyn Farms to Marion Woody in Indiana where she produced the International first prize winner, Clear Creek Royal Leader, and his record at John Shuman's in Colorado has been tremendous. Another daughter has produced well for David Graham, in Ohio, and a daughter is one of our best cows. Cluny Pauline 74th's first three calves were bulls. All sold well and headed good herds.

AMERICA'S STRONGHOLD OF THE BREED

## The Princess Royal family —

We were unfortunate in 1958 to lose the original Princess Royal cow, JF Princess Royal by Edellyn Royal Leader 17th, and her daughter, Susanna's Princess Royal by Morphie Elect. This has been the most prolific family on the farm, and even with the loss of these two good cows, have five females and one bull descending from this cow. Susanna's Princess Royal 2nd topped the 1956 Marellbar sale at \$3,000, and was later re-purchased by Susanna Farms, and sells in this sale. Susanna's Custodian 21st was Grand Champion bull at the 1957 Chicagoland Shorthorn Club Show and is doing a great job for Bart Rayburn and O. H. Deason & Sons in Oklahoma. Another good heifer, Susanna's Princess Royal 3rd, stood up well at the 1957 International and is in the W. K. Barry & Sons herd, Bradford, Illinois. In the 1954 Marellbar Sale, we added another member of this good family in Marellbar Princess 16th by Cruggleton Allardice and out of the 1947 International Grand Champion female, Marellbar Princess 5th.

**Marellbar Princess 5th**, grand champion female at the 1947 International Live Stock Show for Marellbar Farms. She is the dam of Lot 37 in this dispersion.

## *Are You Looking For "Safe*

These three sons of Leveldale Custodian won first prize in the class for best three bulls in the 1957 Denver show. From left to right they are: **Susanna's Custodian 10th**, now owned by Kenneth Kettenhofen of Wisconsin; **Susanna's Custodian 14th**, now owned by Homer A. Long of Iowa, and **Susanna's Custodian 20th**, now owned by W. A. Warters and John Land of Illinois. Outstanding calves by all three of these bulls are included in this dispersion and the dams of all three of them will sell respectively as Lots 21, 100, and 21.

This pair won first prize in the class for best two bulls at the 1957 Denver show. **Susanna's Custodian 10th**, left, was grand champion of that show. Bulls of this calibre are the kind that will sell in the Susanna Farms Dispersion on May 2. A number of outstanding bull calves will sell with their dams. Look these over carefully. One could be your next herd sire.

Here are eight great Susanna bulls. Seven of them were sold in the 1957 Susanna production sale or shortly thereafter to head outstanding herds. One of them, fifth from the left in the picture, Susanna's Basis 4th, is presently in service at Susanna and will be included in this dispersion.

## *Foundation Shorthorns''?*

*If so, this sale should be  
on your ''must attend'' list!*

Scores of prominent breeders are looking for herd bulls. Scores more are looking for females for the purpose of enlarging and strengthening their herds. All are seeking the "safe" kind . . . the kind that are certain to breed true to type and that will bring extra prestige and extra profits to their herds.

What greater assurance of safety can be found than Susanna is offering in this sale? Twenty bulls are listed. They are exactly like the scores of bulls that have gone out previously from Susanna and that have performed so well for their owners. Ninety-five females are selling! The large number of calves at foot and the large number that give every indication of being safely in calf provide positive proof that these cows are workers.

Strong pedigrees, top individuality, along with every evidence of good health. Yes, this is a sale for those breeders who are ready to move up!

In the purchase of the Macfarlane herd in March, 1958, we secured the imported cow Bantaskin Butterfly 11th by Bapton Compensation, purchased in the Marshall dispersal for Mr. Macfarlane, by John Blume. There is a daughter and a granddaughter in the sale and two other Butterflies descending from this family in the Klaymor herd in Canada. There has been a very prolific Butterfly family at Susanna Farms for several years, descending from an original foundation cow purchased from Edellyn Farms. The Butterflies are good milkers, regular producers, and good money makers.

## The Bapton Secret family

The best brood cow in the Millgate Herd of George Rossetter's at Wadsworth, Illinois, was Bapton Secret 12th, and she was purchased by Susanna Farms in the Millgate Dispersal. Four of her daughters by Edellyn Royal Leader 8th had been sold for an average of over \$1,100, to Frank Harding, Kickapoo Farms, Edellyn Farms, and John Alexander & Sons. In the Hawthorne Dispersal we purchased a maternal sister to Bapton Secret 12th, sired by Bapton Waverley, a Perth first prize winner sold to the Argentine. A son of this Secret cow was second top bull of the Hawthorn Dispersal.

## The Golden Drop family —

The two Golden Drop cows in our herd are full sisters, purchased from Carl McKenzie, Armington, Illinois, and out of the good Crichton cow that topped the Golden Bull Dispersal at \$2,000. An imported in dam daughter of this cow also sold in that sale to Kickapoo Farms for \$2,050. These two cows are by Air Raid Marshal, an imported in dam son of Naemoor Marshal that made an enviable record as both a show and breeding bull. We have had a little bad luck with both of these cows, but they are still among our best producers.

**Comrie Lavender 13th**, a typical Comrie production and from the same family as Lots 56 and 57. This daughter of Killearn Max Senator was junior and grand champion female at the 1952 Michigan State Fair.

## **The Lavender family —**

We obtained this good Lavender Thyme family through our purchase of the Macfarlane herd. Burnton Lavender 14th was the 2nd top female of the 1950 Campbell Farms sale at \$2,525. This pedigree speaks for itself and will consistently produce good cattle.

## The Cluny Rosewood family —

The Cluny Rosewood family has always been in demand wherever sold. Our branch of this family originated from two full sisters by Calrossie Mercury out of the same imported cow as Edellyn Command. We have sold Rosewood females to House and Benroth, David S. Graham, Mathers Bros., and John Alexander & Sons. We received one Cluny Rosewood in the Macfarlane Herd, and a full sister to her dam is one of the best cows in the good herd of Johnson Bros., Atlantic, Iowa.

The main part of our Myrtle family came to us in the MacFarlane herd, where they had been among the best producers. They are thick, fleshy cattle, with short legs and ample bone. We also purchased one of the top cows in the Dr. Donahoe Dispersal, by Edellyn Loyal Mercury, and she has proven to be a good producing cow. The Myrtle cows are the easiest fleshing cows on the farm, and extremely prolific.

September 4, 1958: Susanna's Basis 16th by Susanna's Basis sells as Lot 17.

Don Hill Myrtle was bred November 30, 1958 to Susanna's Basis 4th. Examined and pregnant.

**The Mayflower family —**

The foundation for this family came to Susanna Farms nearly 20 years ago at the sale of John Meier & Sons in Iowa. Many of our best cattle have been from this family, and they have been easy breeders and keepers, with tremendous milking qualities. The Mayflower Maid family was represented strongly in the Curtiss Candy herd, and produced many of their show cattle. In the Curtiss Candy Dispersal, three of the best females came back to Susanna, and one of them is included in this sale. We have never shown any cattle without a representation of the Mayflowers and have more of them in this sale than anything else. The sire of the Reserve Grand Champion Polled Shorthorn bull at the 1958 International was Susanna's Custodian 5th, out of the good Mayflower cow selling as Lot 80. Lots 77 through 86 are all members.

Paul Potter, manager of Susanna Farms, unloads **Susanna Custodian 14th** at the CBS Television Studios in Chicago. Paul has frequently appeared on television with Susanna productions. The dam of this bull sells as Lot 100.

## The Rosebud family —

In the 1957 Marellbar sale, we selected a beautiful daughter of Marellbar Purvis from the Robert Macfarlane consignment, and she has developed into one of the best females on our farm. In the purchase of the Macfarlane herd, we added her dam, and in the Buckmaster Dispersal in the fall of 1958, added the second top female, Genmar Augusta Rosebud and her attractive heifer calf by Louada Commander. These Rosebuds descend from the family A. J. Marshall made famous, and are certainly the right kind of cattle. Lots 87 through 90 are members of this family.

## **The Lady Ramsden family —**

We purchased this imported Lady Ramsden cow in the Macfarlane herd where she was probably the outstanding brood cow. She is a half sister to Corrimony Golden Sovereign, an outstanding sire. Her 1958 heifer calf by Marellbar Purvis, Lot 95, is one of the best in the sale, and perhaps Purvis's best daughter. Lady Ramsden is a good headed cow and a very good milker.

**LEVELDALE VICTORIA 4TH — Production Record**

June 19, 1957: Susanna's Critic by Leveldale Critic  
 sold to Eric Anderson, Millburn, Illinois.

Leveldale Victoria 4th dropped a red heifer calf by  
 Susanna's Basis on March 11, 1959 that will sell at  
 foot.

**Leveldale Virile**, 1957 International grand  
 champion bull. Lot 98 in this dispersion is a  
 maternal sister.

In the 1956 Leveldale Sale, we purchased Leveldale Victoria 4th by Leveldale Basis and out of the same great  
 Burnton cow as Leveldale Virile and Leveldale Victoria, undefeated junior yearling show heifer in 1952, and  
 many times a champion. We have had some tough luck with this cow, but she shows promise of developing  
 into a good brood cow, and has the bloodlines to back her ability. We have had a Victoria family at Susanna  
 for several years, descending from a George Atwood bred daughter of Imported Silver Coin, and the present  
 Glastullich Spearhead cow has been very profitable.

**Susanna Victoria 9th.** This daughter of Susanna's Basis sold in the 1956 Marellbar sale to Lynnwood Farm, Carmel, Indiana, at the third top of \$1,750. Her dam will sell as Lot 99 in this dispersion.

**Annasus**, shown by Dianne Potter, was grand champion steer over all breeds at the 1957 Lake County Fair and first prize summer yearling in the open class at the Illinois State Fair. His dam is Lot 111.

Carona Coronation x, reserve grand champion Polled Shorthorn bull at the 1958 International for Ellis Shafer, Royal Center, Indiana. This outstanding bull was sired by Susanna's Custodian 5th, a son of Leveldale Custodian, produced at Susanna Farms.

## *A word about Susanna* **POLLED SHORTHORNS**

Cherry Hill Royal Oak, an International reserve grand champion that made Polled Shorthorn history at Carona Farms, DeKalb, Illinois. Two of his best daughters will sell as Lots 112 and 114.

In 1955 we purchased two Polled Shorthorn heifer calves from Carona Farms to mate with our good Scotch bulls. We selected daughters of Cherry Hill Royal Oak x because we felt they were more likely to produce good Polled Shorthorn bulls than any other bloodstream in the Polled breed. A daughter of Royal Oak, she a full sister to Lot 112, when bred to Susanna's Custodian 5th by Leveldale Custodian, produced Carona Coronation x, 1958 International reserve Grand Champion bull for Ellis Shafer, Royal Center, Indiana. These two polled cows are full sisters to Carona Direct x, the good Glen Anderson, Paxton, Illinois, sire, and to Carona Waverly x, used in the Leo Luckett herd in Kentucky. These cows are thin, running in a group of horned cows, but have proved themselves good producers.
